One Cool Dude

Hola mis Amigos! Don't laugh, these threads may be too cute for words, but I'm really one cool dude. Believe it or not, I've already been to the Met to take in the Robert Frank show, caught the latest Almodóvar, and even crashed a b-day party, where all the babes couldn't take their eyes offa me! With a little luck, I'll be cruising the crystal white Sarasota sands of Lido Beach and jammin' wid my grand-pappy (aka G-Daddy), who has a sweet new gee-tar I'm dyin' to lay my hot little digits on. **With love & respect, your bud, The Hud**
